### A Once And Future Love

A Once and Future Love was my first time travel romance. Based on it, it will not be my last, nor will it be my last book by Anne Kelleher. It had three big strengths separate from the things that have kept me reading romance on and off. First, a didn't want to toss my eReader due to blatant ignorance of history.

An Unlikely Pair, was actually recommended to me because its a similar story to how I met my best friend in high school. After I read the short prequel I had to read My Once and Future Love. Although my story didn't quite have the same elements or the same happy ending, once I started this book I couldn't put it down.
