Read Free Bride Price

Bride price, bridewealth, or bride token, is money, property, or other form of wealth paid by a groom or his family to the family of the woman he will be married to or is just about to marry. Bride price can be compared to dowry, which is paid to the groom, or used by the bride to help establish the new household, and dower, which is property settled on the bride herself by the groom at the time of marriage. Some cultures may practice both dowry and bride price simultaneously. Many cultures prac

Bride price - Wikipedia

The Bride Price tells the story of forced marriage in Malawi, Africa. Despite a constitutional amendment deeming it illegal, more than 50% of girls below the age of eighteen continue to be victimized.

Bride-price | Definition of Bride-price by Merriam-Webster

Bride price, also known as bride wealth, is an amount of money, property or other form of wealth "paid" to the parents of a woman for the right to marry their daughter. In anthropological literature bride price has often been explained in market terms, as payment made in "exchange" for the bride's family's loss of her labor and fertility within her kinship group.

Bride price - New World Encyclopedia

"The Bride Price" focuses on how cultural traditions of treating women as property harm not only the women in question, but the entire society. The story is about Aku-nna, a young girl who falls in love with a man her uncle (and designated male guardian) will not accept.

protagonist of *The Bride Price*. Though the story begins in an urban center, it follows the Odio family as they relocate to their ancestral village.

The Bride Price Summary | SuperSummary

The Bride Price is a 1976 novel (first published in the UK by Allison & Busby and in the USA by George Braziller) by Nigerian writer Buchi Emecheta. It concerns, in part, the problems of women in post-colonial Nigeria. The author dedicated this novel to her mother, Alice Ogbanje Emecheta.

The Bride Price - Wikipedia

The bride price is what it sounds like—a specific price (property, money, etc.) paid by the bridegroom (or his family) to the bride's parents. Depending on the society and the period, this could be either a set price for all brides (virgins having a higher price) or a negotiated price based on the perceived worth of the girl (beautiful or especially

The bride price symbolises the transfer of rights to control a woman's body and labour from her natal family to her husband's family. As compensation to the bride's family for their labour loss, the groom's family should provide some money or gifts. Therefore, bride price is gender asymmetric and patriarchal in nature.
