Re: Continental 4-cylinder Red Seal Engine in reply to Conrad Vogel, 02-12-2002 10:21:39 Not able to help on the engine, but I enjoyed the pics of the old trucks. My dad was a trucker for all his working life, and the old IH K-models bring back stories of his early years (1930's -1940's)driving straight trucks, before tractor-trailers came into ...

### Continental 4-cylinder Red Seal Engine - Yesterday's Tractors

Continental Motors Company was an American manufacturer of internal combustion engines.The company produced engines as a supplier to many independent manufacturers of automobiles, tractors, trucks, and stationary equipment (such as pumps, generators, and industrial machinery drives) from the 1900s through the 1960s.Continental Motors also produced automobiles in 1932-1933 under the name ...

### Continental Red Seal L-Head Engine Service Manual

Those Continental Red Seal engines were pretty common OEM engines in their day, used on a lot of construction equipment, and in some tractors, too. The six cylinder Willys flathead engines were of the same size and design, and the Red Seal Continental sixes were used in Checker taxicabs, too, as well as welders, compressors, etc. Hard to say what the avlue and demand for the Continental four is.
