The mathematics portion of the SAT is divided into two sections: Math Test – No Calculator and Math Test – Calculator. In total, the SAT math test is 80 minutes long and includes 58 questions: 45 multiple choice questions and 13 grid-in questions. The multiple choice questions have four possible answers; the grid-in questions are free response and require the test taker to provide an answer.

### **SAT - Wikipedia**

Childhood Apraxia of Speech Versus Developmental Apraxia of Speech. The Committee recommends childhood apraxia of speech (CAS) as the classification term for this distinct type of childhood (pediatric) speech sound disorder. Beginning with the first word in this term, two considerations motivate replacing the widely used developmental with the word childhood.
