Level Select. One of the most well-known codes in gaming history: press Up, Down, Left, Right on the title screen (three Downs if playing the JP version on a Japanese console), then hold A and press Start. In the original revision, the level order is different from the order in normal gameplay: Labyrinth and Marble's positions are swapped.

Sonic the Hedgehog (Genesis) - The Cutting Room Floor

The Nintendo DS is a handheld game console produced by Nintendo, released globally across 2004 and 2005. The DS, an initialism for "Developers' System" or "Dual Screen", introduced distinctive new features to handheld games: two LCD screens working in tandem (the bottom one being a touchscreen), a built-in microphone and support for wireless connectivity.
