Edition, author Michael Kimmel argues that it is time for men to rediscover their own evolution. Drawing on a myriad of sources, he demonstrates that American men have been eternally frustrated by their efforts to keep up with constantly changing standards.

Manhood in America - Michael Kimmel - Oxford University Press

In Kimmel's judgment, much of the story of American manhood is the struggle to live up to the cultural standards of self-made manhood, to prove to other men that one is truly manly. To this end, men have repeatedly employed three strategies, sometimes simultaneously. First, men have sought control over their own bodies and their own lives.

Manhood in America: A Cultural History - Michael S. Kimmel ...

In this case, I've done little of either. Since Manhood in America is a cultural history, I will stand by the assessments of the historical development of masculinity I sketched out in the first edition. While I have tried to add a few historical references to buttress the original claims, the work remains pretty much as I first wrote it.

Michael S Kimmel

Michael Kimmel has written five volumes on men's lives including his latest Manhood in America. This book seeks to provide a cultural history of American manhood from 1776 to the present.

Manhood in America: A Cultural History. - Free Online Library

Manhood means different things at different times to different people. Some cultures encourage a manly stoicism we might find familiar. Many men in many cultures seem preoccupied with demonstrating sexual prowess. But some cultures prescribe a more relaxed definition of masculinity, a more emotional and familial man. Nor are all American men alike.
