**Personal Health: Perspectives and Lifestyles book by ...**

Social-emotional development in infancy and early childhood is considered to provide the foundation for good mental health and well-being throughout life. Social-emotional characteristics such as self-regulation, motivation and interpersonal skills, play a big part in success at school and in the workplace.

**Social-Emotional Development**

As summer days come to an end, we will experience changes — kids engaging back into school work, parents' efforts to balance their work and family life, continued COVID-19 uncertainty,
