Focus on the subject. The subject is the most important aspect of portrait photography. Making the subject comfortable with you is an essential factor for a successful portrait photography session. Take out time to connect with your client before the photoshoot and, if possible, meet up in person.

Portrait Photography Tips - Top 15 Ideas To Master Portraits

Many wildlife photographers practice such feeding procedures and take no guilt in doing that - some of them are quite open about it as well. Whether it is setting up bird feeders in the backyard, or putting mice in fields for those awesome shots of predators flying towards the camera, the question of whether those acts are ethical or not come ...
