Individualized Educational Program A federal law requires that an Individualized Educational Program (IEP), be developed for each child who is identified as having special needs. It is important to note that a hearing loss does not, in and of itself, qualify a child for special education services.

Individualized Educational Program - Beginnings

Individualized Program Planning Introduction assessment plans Students are at the heart of the individualized program planning (IPP) process. When the focus is on students' individual needs, strengths and participation, the IPP process can reap many benefits for all partners. An effective, student-focused IPP process can:
