Derrick Bell - Wikipedia

Cultural convergence. Popular culture is wide spread, global scale, and a mixture of many different cultures in one place. One of the most important parts of culture is food! Food is also one of the first parts of culture to be shared and to spread. Food is a big part of holidays, traditions, religions, and everyday life for all cultures.

Near-sightedness, also known as short-sightedness and myopia, is an eye disorder where light focuses in front of, instead of on, the retina. This causes distant objects to appear blurry while close objects appear normal. Other symptoms may include headaches and eye strain. Severe near-sightedness is associated with an increased risk of retinal detachment, cataracts, and glaucoma.
