This list of 50 Must-Read Contemporary Romance Novels will extend back beyond 2018, but sticks to titles released this decade. Contemporary romance novels have always been a thing, but novels set in current times have a way of becoming outdated as time marches on. These titles are a mix of adult, new adult, and young adult.

A contemporary romance series full of family, fun and falling in love. I wrote the first book in the series, Exclusively Yours, just for fun, as it incorporates many of the things I enjoy—four-wheeling, s'mores, family, love and laughter. In All He Ever Needed, the series shifts from New Hampshire to the
