is learning in the classroom at any point throughout the year. The pacing guides for Grade K-8 have been revised to align with the new Common Core State Standards (CCSS) for English language arts and math. Those that have been aligned to CCSS are in a "draft" format this academic year so our teachers and staff can add features, as well as work out any bugs that are associated with implementing the new pacing guides to Common Core.

Year-at-a-Glance (YAG) is a document that informs parents and students of the recommended pacing and content standards for selected courses. It includes the topics to be taught week by week each quarter and a list of instructional resources. The YAG is only a recommended pacing guide; school leaders and teachers make the final decision regarding the pacing of any program of study.

The story of California begins in pre-Columbian times, in the culture of the Native American Indians who lived here before the first Europeans arrived. The history of California becomes a story of successive waves of immigrants from the sixteenth century through modern times and the enduring marks they left on the character of the state.
